

JORDAN SCHOOL DISTRICT

Policies and Procedures for the Implementation of SECTION 504 OF THE
REHABILITATION ACT OF 1973

8/17/2011

JORDAN SCHOOL DISTRICT

SECTION 504/ADA POLICY

The Jordan School District is committed to providing disabled children who attend our schools with the opportunity to participate in, and benefit from, our educational system. The following is the official written policy for compliance with Section 504 of the Rehabilitation Act of 1973 (Section 504) and the Americans with Disabilities Act (ADA).

Introduction:

This manual provides a system for the implementation of the procedural provisions of the Rehabilitation Act of 1973, Section 504, Subpart D. Section 504 contains other requirements including accessibility and employment practices concerning persons with disabilities. This system limits itself to Subpart D.

All individuals who are disabled under the Individuals with Disabilities Education Act (IDEA) are also considered to be disabled and therefore protected under Section 504. However, all individuals who have been determined to be disabled under 504 may not be disabled under IDEA. These children require a response from the regular education staff and curriculum. For the purpose of this manual, the term “disabled” refers to students who are protected under the regulations of Section 504; the term “disabled” is reserved for students who are eligible for services under IDEA. The IDEA defines as eligible only students who have certain specified types of disabilities and who, because of one of those conditions, need special education (specially designed instruction). Section 504 protects all disabled students, defined as those having any physical or mental impairment that substantially limits one or more major life activities (including learning). Section 504 covers all students who meet this definition, even if they do not fall within the IDEA enumerated categories and even if they do not need to be in a special education program.¹

¹ Appendix A illustrates the difference between ADA, 504 and 504/IDEA students.

Examples of 504 Students:

Students who are protected by Section 504, but who may not be covered by the IDEA include students with such health impairments as juvenile arthritis, AIDS or ADD. Such Students may not meet the criteria for IDEA categories. However, if their disorders or conditions **substantially limit their ability to function at school**, they are disabled within the meaning of Section 504 and must be provided with those accommodations needed to benefit from their educational services. If a school has reason to believe that, because of a handicap as defined under Section 504, a student needs either special accommodations or supplementary services in the regular setting **in order to participate** in the school programs, the student must be evaluated and, if found to eligible, the school must develop and implement an accommodation plan for the delivery of needed services.²

² Appendix B compares the procedures and substantial differences between IDEA AND 504.

DEFINITIONS UNDER SECTION 504

ACCOMMODATION – any action or service provided for a disabled student in an effort to meet the educational needs of such a student as adequately as the educational needs of a non-disabled student are met. The term may include specialized education, related services and aids or limited to a physical compensation.

ACCOMMODATION, PHYSICAL – any action, assistive device, equipment or other consideration to equalize opportunity. It does not include change(s) in instructional programs. The term is exemplified when accommodation is limited to providing special equipment, administering medication, preferential seating and other considerations.

ACCOMMODATION PLAN – written document developed by a team (similar to the IEP) that outlines accommodations necessary for a student who has a physical or mental impairment which substantially limits one or more major life activities.

BARRIER-FREE ENVIRONMENT – a school environment that contains no obstacles to accessibility and usability by students with disabilities. Barrier means physical and non-physical.

COMPARABILITY TEST – a method to attempt to determine what accommodations are needed to meet the educational needs of disabled students as adequately as the needs of non-disabled students are met.

COMPLIANCE OFFICER – the person specifically named by the recipient to coordinate the requirements of Section 504 of the Rehabilitation Act of 1973.

DISABLED PERSON – any person who (1) has a physical or mental impairment which substantially limits one or more major life activities, (2) has a record of such impairment, or (3) is regarded as having such an impairment. The

term is not necessarily synonymous with disabled children as set forth in IDEA-B.

Section 504/ADA specifically exclude the following physical and/or mental impairments from qualifying a student as disabled: homosexuality, bisexuality, transvestism, transsexualism, pedophilia, exhibitionism, voyeurism, gender identity disorders not resulting from physical impairments, other sexual disorders, compulsive gambling, kleptomania, pyromania or psychoactive substance abuse disorders resulting from illegal use of drugs.

IDEA –B –Part “B” of the Education of the Disabled Act. Public Law 101-476.

MAJOR LIFE ACTIVITY – functions such as caring for one’s self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.

MEDIATION - a process specific to reconciliation of differences. Mediation efforts never supplant either party’s right to the procedures of Due Process.

MEDIATOR – a person, usually a third party, who attempts to resolve differences between or among conflicting parties.

MULTI-DISCIPLINARY TEAM – two or more persons representing different, but relevant fields of expertise.

OFFICE OF CIVIL RIGHTS (OCR) – has three primary responsibilities: investigating complaints, conducting compliance reviews, and providing technical assistance. There are ten regional offices located throughout the United States. The regional office for Utah is in Denver, Colorado. Region VIII (Colorado, Montana, North Dakota, South Dakota, UTAH and Wyoming), Office of Civil Rights, 1244 Speer Blvd., Suite 310, Denver, CO 80204-3582, (303) 844-5695, and (303) 844-3417 (TDD).

REASONABLE ACCOMMODATION – school districts are required to make adjustments to allow for a student with disabilities or known physical or mental limitations.

RECIPIENT – any agency receiving federal financial assistance.

SPECIAL EDUCATION, SPECIALIZED EDUCATION – the terms are presented here as a frame of reference rather than procedurally limiting. Special Education usually means IDEA – B whereas “specialized” usually implies adaptations in the context of regular education such as note takers, verbal cues, modified books, etc. The terms are not mutually exclusive.

504 COMMITTEE – A group of persons knowledgeable about the student including the Principal (or designee), a teacher, and an individual that has the ability to interpret assessment data.

**THE JORDAN SCHOOL DISTRICT’S NONDISCRIMINATION POLICY IN ITS
PROVISION OF EDUCATIONAL PROGRAMS AND SERVICES TO
OTHERWISE QUALIFIED DISABLED STUDENTS**

In compliance with its obligations under Section 504 and the ADA, Jordan School District does not discriminate against otherwise qualified disabled students in the provision of its educational programs and activities. Jordan School District will make reasonable modifications to its programs and activities to accommodate otherwise qualified disabled students, unless such modifications would impose an undue burden on the operation of the particular program, or would alter the fundamental nature or purpose of the program. In addition to its provision of educational services, Jordan School District will not discriminate against otherwise qualified disabled students in its provisions of non-educational programs and services such as counseling, athletics , transportation, health services, recreational activities, special interest groups or clubs, referrals to other agencies and employment.

Jordan School District will provide a free appropriate education (including formalized modifications in the regular education classroom, special education and /or related aids and services) to otherwise qualified disabled students who reside within, or are invited to attend, Jordan School District. Instruction will be individually designed to meet the individualized educational needs of these students. Jordan School District will seek to assure that the educational services provided to otherwise qualified disabled students are reasonably calculated to afford such students an equal opportunity to achieve educational benefit as is provided to nondisabled students.

The Jordan Schools District’s Section 504/ADA Coordinator is:

Fulvia Franco, Ph.D., NCSP

7905 South Redwood Road

West Jordan, Utah 84088

Phone: 801-567-8390

COMPONENTS OF THE SECTION 504 PROGRAM

A. Least Restrictive Environment

Jordan School District will educate otherwise qualified disabled students with nondisabled students to the maximum extent appropriate. Jordan School District will remove an otherwise qualified disabled student from the regular educational environment only when the District determines that educating the student in the regular environment with the use of formalized classroom modifications, supplementary aids/or services cannot be achieved satisfactorily.

B. Initial Evaluations

Jordan School District will evaluate any student suspected of qualifying as a disabled student under Section 504/ADA. Jordan School District does not receive funds under Section 504/ADA and is not required to pay for medical or psychiatric evaluation of a student; however, Jordan School District will attempt to obtain and keep on file relevant and current medical information provided by the student's parents and/or physician, psychologist, psychiatrist or other professional in order to make needed adjustments or modifications for the student.

C. Modifications

The determination of what formalized Section 504/ADA modifications to the students regular education program, special education, and/or related services are appropriate for a student suspected of qualifying as a disabled student under Section 504/ADA will be made in writing by a group knowledgeable about the student.

D. Re-evaluations

Jordan School District will re-evaluate any student determined to be eligible for formalized modifications, special education, and/or related services every three years, or more frequently if conditions warrant.

E. Changes in Placement

If a student has been determined to be eligible for Section 504/ADA formalized modifications, special education, and/or related services under Section 504/ADA, Jordan School District will re-evaluate or hold a placement meeting before making any significant change in placement. Examples of significant changes in placement before which Jordan School District will re-evaluate include individual suspensions that exceed ten cumulative school days, expulsion, transfer of a student to home instruction, or a significant change in the method of delivery of the student's education (e.g., moving the student from regular education to the resource room).

F. Documentation of Evaluations and Changes in Placement

Jordan School District will document any Section 504/ADA evaluations that are made regarding any student who is evaluated for qualification for formalized modifications, special education, and/or related services under Section 504/ADA

G. Personnel Training

Jordan School District will provide appropriate workshops to instruct teachers on the education of persons with disabilities, along with

teacher in-service meetings and consultation with medical professionals, as necessary.

H. Transportation of Otherwise Qualified Disabled Students

Jordan School District will not discriminate in its provision of transportation to otherwise qualified disabled students. If Jordan School District places a student, under a Section 504/ADA plan, in a program not operated by the District, the District will assure that adequate transportation to and from the program is provided at no greater cost than the parent would have paid to transport the student to the district-operated program. However, if Jordan School District has made available a free appropriate education to a student that conforms to the requirements of Section 504/ADA, but the parent chooses to place the student elsewhere, Jordan School District will not pay for any costs incurred in transporting the student to that program.

I. Notice to Parent or Guardian of Actions Affecting Identification, Evaluation or Placement

Jordan School District will notify the parent or guardian of a student suspected of being an otherwise qualified disabled student of his/her rights to (initiate the grievance procedure and/or obtain) an impartial hearing if the parent or guardian disagrees with any action regarding identification, evaluation, and/or placement of a student suspected of being disabled under Section 504/ADA.

J. **General Notice Regarding Nondiscrimination**

The District seeks to notify all the District's students, students' parents, applicants, and employees of its policy of nondiscrimination on the basis of disability. To achieve this objective, the District will include the following Notice on all applications for employment or admission within the District, collective bargaining proposals, student handbooks, and other school-wide publications where inclusion of such Notice would be appropriate:

Jordan School District does not discriminate against qualified disabled individuals on the basis of disability in its provision of programs, services, or employment. The District has designated J. Calvin Evans to coordinate the District's compliance with federal nondiscrimination laws.

In addition, the District will post the above Notice on appropriate bulletin boards throughout its school campuses, and will take steps to assure that this notice is made available to persons with impaired vision.

K. **Mitigating Measures**

The determination of whether an impairment substantially limits a major life activity shall be made without regard to the effects of mitigating measures such as:

- I. Medication, medical supplies, equipment, or appliances, low-vision devices (which do not include ordinary eyeglasses or contact lenses), prosthetics including limbs and devices, hearing aids and cochlear implants or other implantable hearing devices, mobility devices, or oxygen therapy equipment and supplies;
- II. Use of assistive technology;
- III. Reasonable accommodations or auxiliary aids or services; or
- IV. Learned behavioral or adaptive neurological modifications. 42 U.S.C. 12102(4)(a)(4)(E)(i)

**SEARCH AND SERVE, REFERRAL, EVALUATION, IDENTIFICATION AND
REASONABLE ACCOMMODATION FOR SECTION 504/ADA
QUALIFIED DISABLED STUDENTS**

Search and Serve Efforts Under §504/ADA:

In order to not duplicate efforts, attempts to locate and identify all qualified persons with disabilities residing in the district who are not presently receiving a public education – whether they are disabled pursuant to IDEA, §504/ADA, or both – will be made under the district’s IDEA/child search and serve efforts.

Referral for 504 Assistance:

A student need has been identified by a teacher, parent, administrator or other person with a legitimate interest. A REFERRAL FOR 504 ASSISTANCE³ must be completed and submitted to the local school principal. The local school multi-disciplinary team will then review the referral and determine the appropriate action.

Evaluation:

The local school principal must notify parents, in writing, that the district is conducting a review of existing records, provide notice of parent/student rights⁴ and must obtain written parental permission for any additional evaluation. Following notification and/or receipt of parental consent the principal or designee reviews all student records and evaluations and initiates any additional required evaluations. The evaluation is then summarized on the 504 ELIGIBILITY SUMMARY form.⁵

³ See Appendix C for Referral for 504 Assistance.

⁴ See Appendix D for Section 504 Parent Student Rights in Identification, Evaluation and Placement.

⁵ See Appendix E for 504 ELIGIBILITY SUMMARY FORM.

Eligibility:

Within 30 days of the completion of the evaluation, the principal or designee will convene the 504 Committee to consider:

1. Student's unmet needs.
2. Section 504 eligibility.
3. Accommodations based on eligibility and needs.⁶
4. Reasonable accommodations despite ineligibility.

The multi-disciplinary team will determine eligibility for 504 assistance, document the eligibility on the 504 ELIGIBILITY SUMMARY and document suggested accommodations. If the accommodations do not require additional resources then the team proceeds to notify the parents of the meeting to develop an accommodation plan to finalize the suggested accommodations. If the accommodations require additional resources, the principal then reviews the 504 ELIGIBILITY SUMMARY with the district 504 compliance officer. The 504 compliance officer then either discusses other alternatives or approves and allocates the resources necessary to implement the suggested accommodations. The principal then finalizes the accommodations with the parents at a meeting to develop an accommodation plan.

If the student is found to be ineligible for accommodation under Section 504, the 504 Committee may recommend accommodation despite such ineligibility if such accommodation facilitates the student's educational program.

⁶ See Appendix F for examples of accommodations by disability.

Accommodation Plan:

After the multi-disciplinary team has completed the 504 ELIGIBILITY SUMMARY the suggested accommodations are then formalized with the parents on the SECTION 504 ACCOMMODATION PLAN.⁷ This plan documents the accommodations, the persons responsible, the action to be taken with each accommodation, and the persons involved in developing the accommodation plan. The accommodation plan must be reviewed annually.

Re-evaluation:

Students receiving accommodations under Section 504 must be re-evaluated every three years or more often as necessary.

SECTION 504/ADA GRIEVANCE PROCEDURE

A “grievance” is a complaint by a District employee, a student entitled to an education within the District, or a parent of such a student. The District has designed this grievance procedure as a means of reaching a fair and equitable settlement, at the lowest possible administrative level, of differences and issues relating to possible discrimination against employees and/or students under the Rehabilitation Act of 1973 (Section 504) and/or the Americans with Disabilities Act. These laws prohibit a public agency like Jordan School District from discriminating in its provision of its programs or activities against a qualified disabled person solely by reason of that person’s disability.

The following are the steps that are to taken under this procedure to process a grievance based on a complainant’s belief that the District has violated one of these nondiscrimination laws.

⁷ See Appendix G for Section 504 Accommodation Plan

Step One

A grievance must be filed in writing with the District's Section 504/ADA Coordinator, the person who the District has designated to coordinate Section 504/ADA compliance efforts:

**Fulvia Franco, Ph.D., NCSP
Jordan School District
7905 South Redwood Road
West Jordan, Utah 84088
Phone (801) 567-8390**

All grievances must be filed within seven (7) school days after the aggrieved becomes aware of the alleged violation.

Step Two

The Section 504/ADA Coordinator or designee will investigate the grievance to the extent the 504/ADA Coordinator deems appropriate. This investigation shall be thorough enough for the Section 504/ADA Coordinator or designee to come to a fair determination of the grievance, and shall include an opportunity for all interested persons and their representatives to submit evidence relevant to the grievance.

Step Three

The Section 504/ADA Coordinator or designee shall issue a written determination of the grievance within 30 days of its filing. This determination shall at this point be forwarded to the aggrieved. The Section 504/ADA Coordinator will maintain the files and records submitted and reviewed in connection with his/her consideration of the grievance.

Step Four

Within five (5) days of the Section 504/ADA Coordinator's or designee's written determination of the grievance, the aggrieved may submit a request for appeal to the District's Superintendent at:

Jordan School District
7387 So. Campus View Dr.
West Jordan, Utah 84088

The request must be in writing and must state the reasons for disagreement with the decision and remedy the aggrieved requests.

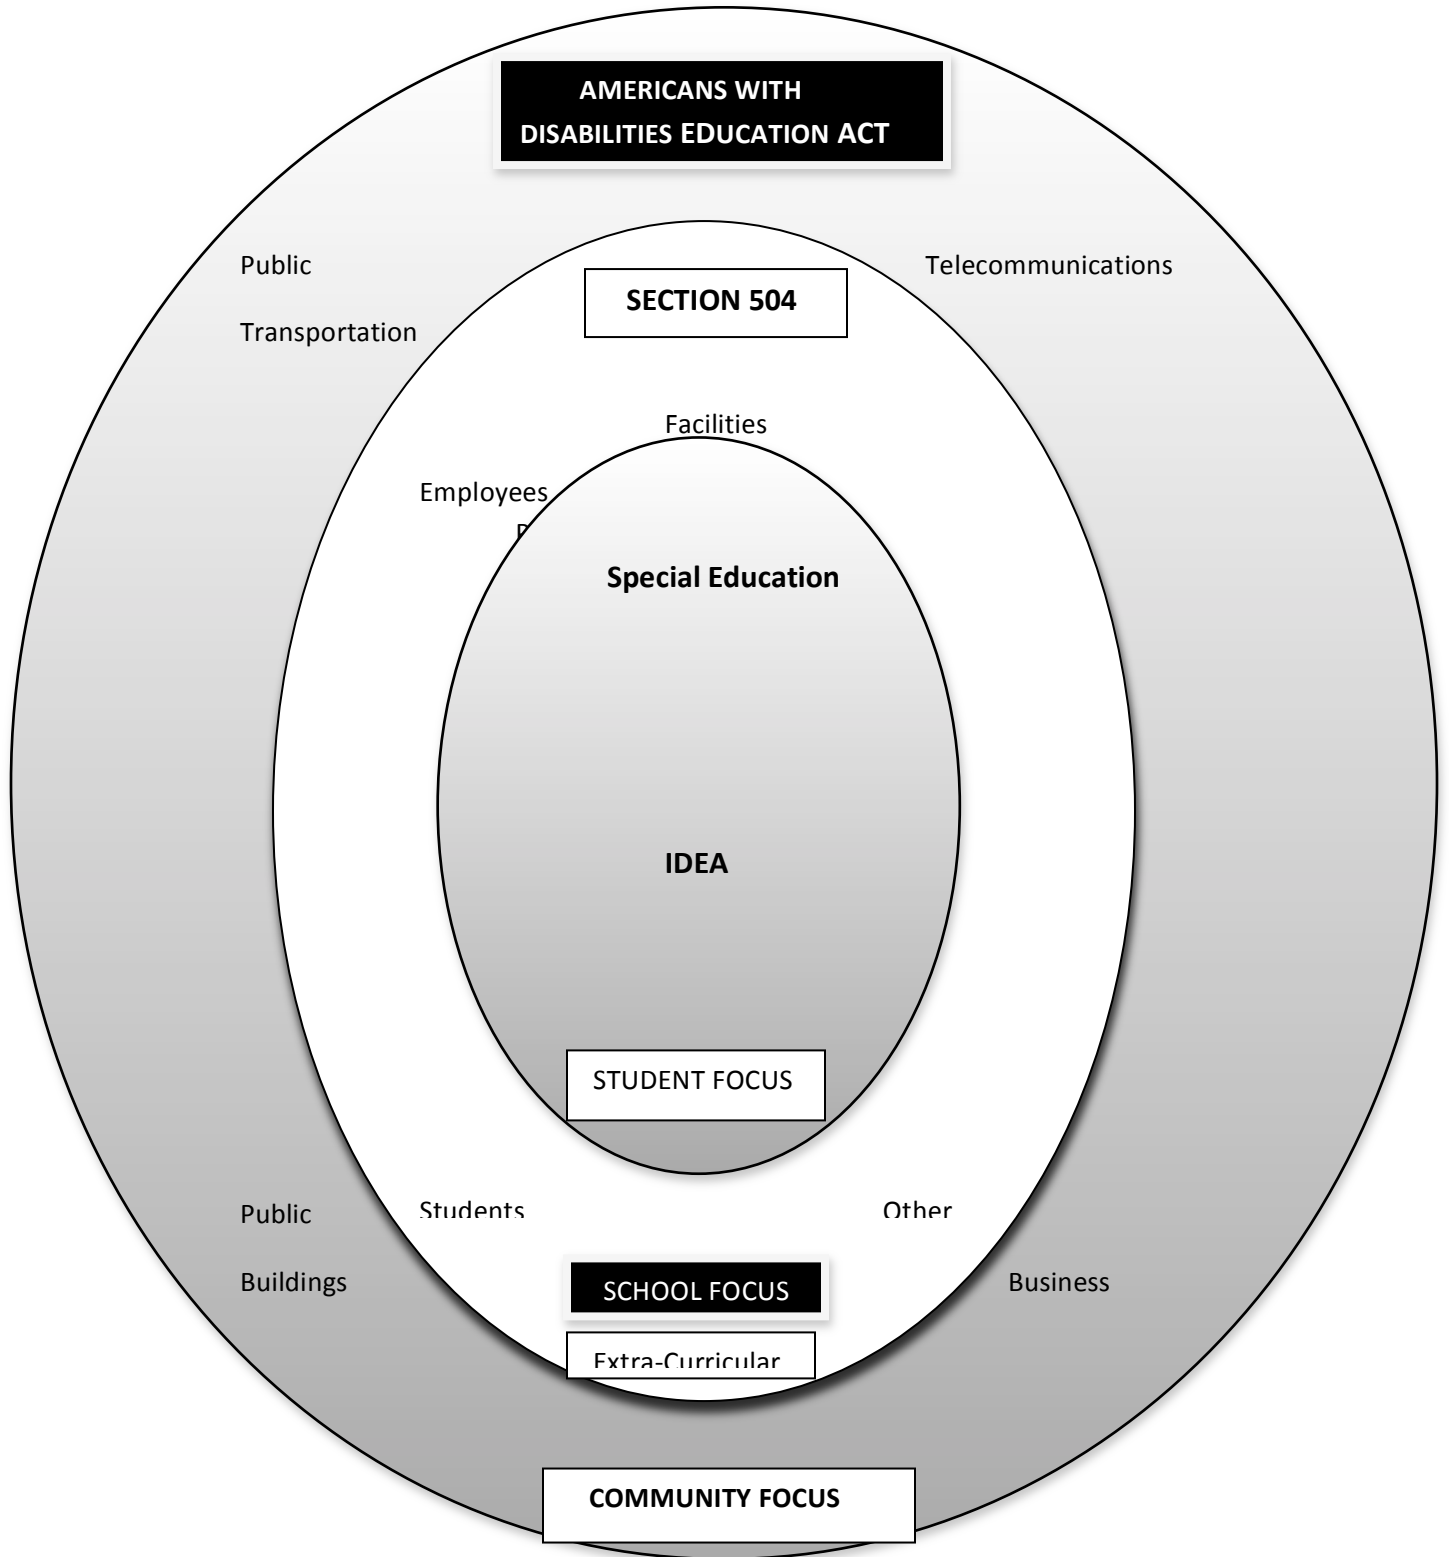

The Superintendent will schedule the grievance for consideration before the District's Board of Education.
