### III. Assessment of SLO

<b>A</b>	<b>Description of Assessment</b> A brief description of the pre and post SLO measures should be provided here. It should specifically include sources used in the assessment development. Attach a copy of the pre and post assessments.	Pre assessment – teacher survey, and/or student observation  Post assessment – teacher survey, and/or student observation
<b>B.</b>	<b>Evaluating Student Performance</b> Describe expected student growth achievement using percentages or rubrics. Attach the specific rubric and/or scoring criteria to be used.	Student will achieve (1-25)% growth to increase their ability to identify and/or demonstrate appropriate social skills with classroom peers.
<b>C.</b>	<b>Formative Evaluation</b> Describe what formative evaluations would be recommended to monitor student progress toward the SLO.	Check-ins with the student and/or the teacher, and/or student/teacher completed surveys

### IV. Classroom Assessment Data (Classroom teachers input data and information for parts A, B, and C.)

<b>A</b>	<b>District Baseline Data or Historical Data/Trends</b> Baseline data, previous data, or data trends are essential to the SLO since they provide the basis for the SLO growth targets. Provide a description of the data used here.	
----------	--	--

B.	<b>Classroom Baseline Data</b> Briefly describe data analysis completed after results of pre-assessment are obtained. Analysis includes an item analysis of the pre-assessment using the assessment blueprint.	
C.	<b>Achievement</b> Record the actual percentage of students who achieved the growth goal and reflect on student progress. The percentage of students who achieved the growth goal will serve as the student growth portion of the teacher evaluation document.
