

Jordan School District APA Internship Admission, Support, and Initial Placement Data

Internship Program Admissions

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

The Jordan School District Doctoral Internship offers full-time internship positions to doctoral students enrolled in APA-accredited programs in school psychology. Students from clinical and counseling psychology cannot be considered due to State Board of Education licensing requirements.

Does the program require that applicants have received a minimum number of hours of the following at the time of application? If yes, indicate how many:

Total Direct Contact Intervention Hours	No	Amount:
---	----	---------

Total Direct Contact Assessment Hours	No	Amount:
---------------------------------------	----	---------

Describe any other required minimum criteria used to screen applicants:

In order to work in a public education setting, the Utah State Board of Education (USBE) requires all interns to obtain an Associate Educators License in school psychology. Therefore, applicants must be able to meet the criteria to obtain this USBE license.

Requirements can be found on their website through the following link:
